## Oil Filling Instruction

1. Insert your needle into your ASTO Pro oil tank through the top hole and hold upright while slowly filling. The maximum fill volume is 2.0g.
  - ◆ Do not overfill or allow your oil to enter the airways on either side of the tanks.
2. After filling, immediately cap your ASTO Pro with the mouthpiece cover until it is tightly fitted.
  - ◆ Failing to attach the mouthpiece cover within 2 minutes may cause leakage.
