Disposable

Tango II 1.0 ml

More Customization
Beyond Your Imagination

► FEATURES

- PUREXCORE® innovational technology
- POSTLESS / Cotton free / Glue free
- Dual airflow
- Open filling system / easy pressing to seal
- Appropriate size in hand and Ergonomics form to vapor
- Flexible customization Pattern and oil window

► SPECIFICATIONS:

- Tank Volume: 1.0ml
- Dimension: 85mm * 22.1 * 12.2mm
- Battery Capacity: 270mAh
- Resistance: 1.85±0.15Ω
- Voltage: 3.6V
- LED Indicator : White
- Charging: Type-C
- Weight (with empty tank): 17g

► PRODUCT MATERIALS

- Mouthpiece: PCTG
- Heating element: Black Ceramic
- Tank Material: PCTG
- Housing: PC+ABS
- Battery bracket: ABS

Oil Filling Instruction:

1. Insert the oil needle into the oil tank through the top central hole and hold it upright, maximum oil fill volume is 1.0g

◆ Do not overfill or allow oil to enter the airways on both sides .

2. After filling, immediately assemble the mouthpiece cover till it's tightly fitted.

◆ Fail to assemble the mouthpiece cover within 2 minutes may cause leakage.
